

Life is a scream,
Life is a laugh,
Life is joy,
Life is misery.

Life is failure.

Life is contagious,
Life is revealing,
Life is tragic,
Life is a mystery.

Life is soul.

Life is incredible,
Life is mundane,
Life is earth,
Life is success.

Life is fear.

Life is desire,
Life is guilt,
Life is a search,
Life is observing.

Life is chemistry

Life is endless,
Life is a moment,
Life is love,
Life is anger.

Life is courageous

Life is a shadow,
Life is unique,
Life is art,
Life is simple.

Life is inevitable.

Life is music,
Life is theatrical,
Life is a dream,
Life is a tear.

Life is raw.

Life is primal,
Life is a stroke,
Life is unforgivable,
Life is a stream.

Life is God.

Life is energy,
Life is everything,
Life is emptiness,

And essentially life is Death.
