

“LAST LIGHT” by FIONA BRICE

LYRICS

*No sound but silence
As I lose my faith
Feel you slowly slip away
Hold the memory
of you dear today
As the last light fades*

*As the last light fades
Watch your sky turn black from grey
Here I remain*

*Peace becomes you
as you lie in wait
Reconciled with Fate
Your priceless possessions
Hold little weight
As the last light fades*

*As the last light fades
Watch your sky turn black from grey
Here I remain*
